

**VALLEJO SANITATION AND FLOOD CONTROL DISTRICT
STORM DRAIN CONNECTION FEES
ORDINANCE NO. 2017 -70B.1(2)**

AN ORDINANCE ESTABLISHING FEES TO CONNECT TO THE DISTRICT STORM DRAIN SYSTEM AND FOR RELATED PERMIT AND INSPECTION SERVICES, AND ESTABLISHING THE METHODOLOGY FOR ADJUSTMENT OF FEES

The Board of Trustees of the Vallejo Sanitation and Flood Control District does ordain as follows:

SECTION 1. PURPOSE

The purpose of this Ordinance is to establish the fees for connection to the Vallejo Sanitation and Flood Control District's (District) storm drainage system, and related permit and inspection services, as established and described in Ordinance 70B.

SECTION 2. ADJUSTMENT

The rates, fees and charges for services described within this Ordinance shall be included in the District's Schedule of Fees and Charges (Schedule) adopted by resolution of the Board of Trustees (Board), and adjusted as needed. The adjustments shall, at a minimum, be made by multiplying each fee included in the Schedule by a fraction, the numerator of which is the ENR Construction Cost Index for San Francisco for the most recent October, and the denominator of which is the ENR Construction Cost Index for San Francisco for the next preceding October, as reported by Engineering News-Record, the McGraw-Hill Construction Weekly. The result of the multiplications shall be rounded to the nearest five dollar (\$5.00) increment to become the fee amount for the ensuing year, effective upon adoption of the revised Schedule. Additional increases in the connection fees necessary to recover costs of projected capital improvements shall be at the discretion of the Board.

Nothing in this ordinance shall preclude the Board from adopting fees other than those as provided herein to be effective on any other date.

SECTION 3. SEVERABILITY

If any section, subsection, sentence, clause and/or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Trustees of the Vallejo Sanitation and Flood

Control District hereby declares that it would have passed this ordinance, and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, and/or phrases be declared unconstitutional or invalid.

SECTION 4. REPEAL OF CONFLICTING AUTHORITY

Upon the effective date of this Ordinance, any and all ordinances, resolutions, or rules or regulations of this District in conflict with it, shall be repealed and shall have no further force or effect. This Ordinance supersedes all prior ordinances of the District to the extent that such ordinances established the amounts of storm drainage connection fees and related permit and inspection fees.

SECTION 5. SCHEDULE OF CONNECTION FEES

All rates, fees or charges related to storm drainage connection and related permits and inspections, shall be pursuant to the current Schedule available on the District's website.

SECTION 6. PUBLICATION AND MINUTE ENTRY

This Ordinance shall be published once in a newspaper of general circulation, printed and published in the District within 15 days from and after its adoption. It shall take effect and be in force on February 10, 2018. The passage of this Ordinance shall be entered in the minutes of the District.
