

## REDUCED RATE PROGRAM APPLICATION

Vallejo Flood & Wastewater District offers a Reduced Rate Program (RRP) for qualifying residential property owners. The District's customer is the record owner of a parcel served by a sewer connection. The reduced rate is 10% off the standard residential wastewater rate.

### Program Requirements

1. Current participation in the PG&E's CARE Program is required. **Please attach a copy of your most recent PG&E billing showing participation in the CARE program. The CARE Program address must agree with the address applied for below.**
2. The address applied for must be your primary residence.
3. Each application shall be for one residence only.
4. The reduced rate is not transferable to a new address or another person. If you move, you may reapply for the program for the new address.
5. You must apply for the program annually to continue to receive the reduced rate.
6. The District may at its discretion remove you from the program if it determines that you are no longer eligible or meet program requirements.
7. The reduced rate is effective upon program approval with no retroactive application.
